

NEW WINDOWS. NO HASSLES.

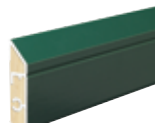

NEW SEQUEL CUSTOM WOOD POCKET REPLACEMENT WINDOWS

With Sequel™ pocket replacement windows, homeowners can add beauty, value and energy efficiency to their homes without enduring the disruption associated with most home improvement projects. More historically accurate than vinyl, each window is exceptionally crafted to the finest detail and custom sized to the quarter inch for a perfect fit. Sequel replacement windows. **A whole new reason to love your home.**

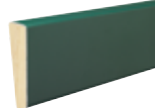

CUSTOM INTERIORS AND EXTERIORS

Sequel aluminum-clad windows offer real wood interiors, prefinish options, and eight exterior colors to achieve the right look for any home.

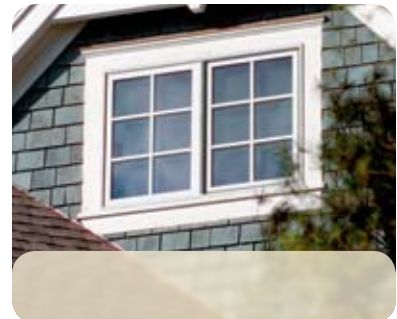

Sequel's .050-Thick Extruded Aluminum Cladding

Roll Form Cladding

THREE TIMES THE PROTECTION

Our extruded aluminum exterior cladding is up to three times thicker than roll form cladding and has a commercial grade finish for exceptional resistance to denting and fading.

MORE SELECTION

Sequel offers a full line of pocket replacement windows—not just double hungs—so customers can match their double hung windows with their casements, awnings, pictures, and sliders.
